

# Climate Control Solutions

Construction, design & installation.  
Residential & Commercial.

**Working in the WA industry for more than 40 years**

Jarrahdale Heating & Cooling is a West Australian, family-owned business offering complete air-conditioning solutions for boutique building projects.

# Not your average air-con company

## About Us

We are proud to offer decades of experience in the design and installation of reverse-cycle and evaporative air-conditioning for residential and small commercial applications.

### Our distinctions include:

- Fujitsu 'Gold Dealer' for over 18 years
- Seeley 'Dealer of the Year' (WA 2021/22, sales growth)
- Daikin and Haier Authorised Dealer
- Dedicated team of +40 employees

**But that's not all.  
Like you, we are also builders.**

Since 1981, we have specialised in the construction and installation of Jarrahdale Wood Heaters. Made in WA, at our state-of-the-art facility.

This allows us to offer a complete, turnkey heating and cooling solution for your next project.

**We know how important it is to combine design and construction with exceptional service.**

We request the opportunity to extend this service to you.
